

Vulnerable

Vanessa Hudgens

C **D**
When I think about you and me
Bm **Em**
I get a little weak in the knees
C **D**
I feel the flutter of a butterfly and
Bm **G**
Sometimes I can hardly breath.

D
So baby (baby)
C **D**
Hold me now (Hold me)
B **Em**
I can t tell if I am lost or found

(Cause I ve been living in a dream **EM**
And I don t want to wake up)
C **D** **B**
And I don t know how to let you in
G
Or let you go

I m so vulnerable
C **D**
Hold me now (Hold me)
Bm **C**
Please baby don t let me down
(Cause I ve been living in a dream
And I don t want to wake up)
C **D**
I know for sure that you re the cure
Bm **C**
Coming down with a case of I love you more
D **G**
I don t want to be vulnerable.

C **D**
When it comes to this book of us
Bm **Em**
I think it s time now to turn the page
C **D**
And I don t want to say I love you first
Bm **G**
But my heart it can t hardly wait.

D

So baby (baby)

C **D**

Hold me now (Hold me)

B **Em**

I can't tell if I am lost or found

(Cause I've been living in a dream

And I don't want to wake up)

C **D** **B**

And I don't know how to let you in

G

Or let you go

I'm so vulnerable

C **D**

Hold me now (Hold me)

Bm **C**

Please baby don't let me down

(Cause I've been living in a dream

And I don't want to wake up)

C **D**

I know for sure that you're the cure

Bm **C**

Coming down with a case of I love you more

D **G**

I don't want to be vulnerable.

C

I don't want to see you hurt

D

Don't you worry baby girl

Bm

Take my hand, understand I'm afraid

C

To tell you the very worst that you want to hear me say

C

When you say it here tonight

D

Will you mean it for a life

Bm **C**

Will you tell me everything that your heart is really feeling for me

C

So I

D **Bm**

Won't be (vulnerable)...

(Cause I've been living in a dream

And I don't want to wake up)

C **D** **B**

And I don't know how to let you in

G

Or let you go

I m so vulnerable

C **D**

Hold me now (Hold me)

Bm **C**

Please baby don t let me down

(Cause I ve been living in a dream

And I don t want to wake up)

C **D**

I know for sure that you re the cure

Bm **C**

Coming down with a case of I love you more

D **G**

I don t want to be vulnerable.
