\*Hit the open E string before each C chord in the chorus  
the F# note can be played with both the D 200232 & D7 200212

**Am**  
They say it s a river  
**Ab**  
That circles the earth  
**C**  
A beam of light shining  
**D7**  
To the edge of the universe  
**F**                    **G**  
It conquers all  
**F**                    **G**  
It changes everything

**Am**  
They say it s a blessing  
**Ab**  
They say it s a gift  
**C**  
They say it s a miracle  
                  **D**  
And I believe that it is  
**F**                    **G**  
It conquers all  
**F**                    **G**  
But it s a mystery

-----Chorus 1 \*  
**C**            **F**            **G**  
Love breaks your heart  
**C**            **F**            **G**  
Love takes no less than everything  
**C**            **F**            **G**

Love makes it hard  
          **Bb**                  **Dm**          **G7**  
But it fades away so easily

**Am**  
In this world we ve created

**Ab**  
In this place that we live

**C**  
In the blink of an eye, babe

**D7**  
The darkness slips in

**F**                          **G**  
Love lights the world

**F**                          **G**  
Unites the lovers for eternity

-----Chorus 2 \*

**C**          **F**          **G**  
Love breaks the chains

**C**          **F**          **G**  
Love aches for everyone of us

**C**          **F**          **G**  
Love takes the tears and pain

**Bb**                  **Dm**          **G7**  
And it turns it into the beauty that remains

**Am7**                  **F**  
Look at this place

**G/B**          **F**          **C**  
It was paradise but now it s dying

**Dm7**          **C**          **F**  
I ll pray for love

**Dm7**          **C**          **G**  
I ll take my chances that it s not too late

-----Repeat Chorus 1 & 2
