Love is the word I said a million times  
**F7M** **G**  
Love, slow.  
**C** **Am** **Em**  
Love is the word I meant to say all the time  
**F7M** **G**  
Love, gone  
**Bb** **Dm**  
God left my hand, I fell into the ice  
**Am** **G**  
There was nothin there, I couldn t breath  
**Bb** **Dm**  
I started to cry when you said goodbye  
**Am** **G**  
Your kindness sheltered my life from any harm  
**C** **Am** **Em**  
Love is the word you said a few times  
**F7M** **G**  
Love, so far.  
**C** **Am** **Em**  
I never knew how was this love  
**F7M** **G**  
Tough, love.  
**Bb** **Dm**  
I ll never forget what took me out of bed  
**Am** **G**  
Made me sweat and will make me go back  
**Bb** **Dm**  
I shut my eyes everytime it gets dark  
**Am** **G**  
Cause I hardly know, I hardly know what s  
**C** **Am** **Em** **F7M** **G**
