

Into The Ice
Vanguart

C **Am Em F7M G**
Love is the word
C **Am Em**
Love is the word I said a million times
F7M G
Love, slow.
C **Am Em**
Love is the word I meant to say all the time
F7M G
Love, gone
Bb Dm
God left my hand, I fell into the ice
Am G
There was nothin' there, I couldn't breath
Bb Dm
I started to cry when you said goodbye
Am G
Your kindness sheltered my life from any harm
C **Am Em**
Love is the word you said a few times
F7M G
Love, so far.
C **Am Em**
I never knew how was this love
F7M G
Tough, love.
Bb Dm
I'll never forget what took me out of bed
Am G
Made me sweat and will make me go back
Bb Dm
I shut my eyes everytime it gets dark
Am G
Cause I hardly know, I hardly know what's
C **Am Em F7M G**
Love. (até o final)
