

**Cool Vibes**

**Vanilla Ninja**

Artist: Vanilla Ninja

Song: Cool Vibes

Tabber: pozzire

This came 8th in Eurovision 2005 for Switzerland (Should of came higher - maybe 2nd).

I think the band is Estonian - So why are they representing Swiss - WTF?

So represent estonia then (Who didn t even make the final)

Being part swiss/italian and greek, I think this should be disallowed - first Celine

now an estonia pop band - come on! - this is rigged!

Anyway I like the song, it s a pretty catchy and is easy to play.

Bring on the rock:
