Verse 1

B
You stalk in, giving me a bad thrill

E
Your just so cool and your dressed to kill

B G# F#
And I feel that you think you a big seducer

G# F#
You come close look into my eyes

E
And I feel that your living in disguse

B G# F#
It s so dead straight clear, you are just a lucky loser

Chorus

G#
Oh well I know

E
That you re gonna get blind

C#
When I m through with you
All you gotta do

D#
Is to go away, I won t tell you no lie

G#
I know

E
You should keep it in mind

C#
Your not good enough
Just not rough enough

D#
Your one big lie

Your a swanker, that s why

Repeat Chorus progression until 2nd verse

G# E C# D#

Verse 2 (Same as first)

Your so vain, but you feel so hip

If you need results, baby here s my tip

Get someone who s of the kind you are

(Pause)

Of course I know what you want me too do

But you aint no good, I m too good for you

Baby just get lost, aint no place that s too far

Chorus (Same as first)

Verse 3

G#

If you want you may dream of me

B

But I ll never be you reality

C# D#

Bet you deserve someone undemanding

Chorus (Same as others) repeat til end
