

Spirit Of The Dawn
Vanilla Ninja

Am **Am/F**
I remember the times when I was a child
G/H **E7**
And the world was full of grace
Am **Am/F**
The wind would whisper of miracles
G/H **E7**
And a secret magic place
Am **Am/F**
But the sun went down and the first night fell
G/H **E7**
Like a shadow upon my life
Dm **Dm/C** **Dm/H**
And though all the colours slowly turned to grey
Am **G** **C**
I never lost my faith

Chorus:

F **Em**
In the spirit of the dawn
Am
In the twilight of your soul
G **C**
There s a voice that guides me home
F **Em**
To the spirit of the dawn
Am **Em**
For all the pain in my heart
F **C**
All the bruises and scars
F **Em**
I ll become the one I was
Am **Am/F** **G** **E7** | x2
In the spirit of the dawn

Am **Am/F**
And here I m wandering through a city of sin
G/H **E7**
With the creatures of the night
Am **Am/F**
And we shared the suffering and the tears
G/H **E7**
In this neverending fight
Cm **Cm/G#**
And in a world of broken promises

A# **G7**
With a sky that s cracked and thorned

G# **A#** **Am**
We ll die just to be reborn

Chorus:

F **Em**
In the spirit of the dawn
Am
In the twilight of your soul
G **C**
There s a voice that guides me home
F **Em**
To the spirit of the dawn
Am **Em**
For all the pain in my heart
F **C**
All the bruises and scars
F **Em**
I ll become the one I was
Em **Em** **Cm**
In the spirit of the dawn

G# **A#**
And I will never lose my faith
Gm **Cm**
In the truth behind my prayers
G#
I keep searching for the desert rain
A# **Am**
Cause I know that it will wash away my pain

Chorus:

F **Em**
In the spirit of the dawn
Am
In the twilight of your soul
G **C**
There s a voice that guides me home
F **Em**
To the spirit of the dawn
Am **Em**
For all the pain in my heart
F **C**
All the bruises and scars
F **Em**
I ll become the one I was
Am **Am/F** **G** **E7** | x2
In the spirit of the dawn
