Verse:

**D**

Come one baby won't you pick up the phone

**E**  
I can't recall when I last had a laugh  
**G Asus4 A**  
My friends are all talking behind my back  
**D**  
They all worry about me, when they go out without me  
**Asus4 A Bm**  
Cause I'm kinda stuck in a broken hearted state  
**E**  
I don't wanna think that it's too late  
**G F#sus4 F#**  
For you and I to make things right

Pre-Chorus:

**Bm E**  
It's a beautiful morning  
**G Asus4 A Bm**  
The sun is shining down on me and you  
**E**  
Wherever you are now  
**G Asus4 A**  
Won't you listen while I'm asking you to

Chorus:

**D Asus4**  
Hold on, I'll sing you a little love song  
**A Bm E**  
I'll promise to make it short and sweet  
**G Asus4 A**  
Do you like it, would you listen while I  
**D Asus4**  
Keep on, singing a little love song  
**A Bm E**  
I'll hope it will make you stay with me  
**G Asus4 A D**

Do you like it, would you listen to me now

Verse:

**D** **Asus4**  
I ve I could get it on the radio, Make it a hit on the air  
**A** **Bm**  
So you would hear it everywhere  
**E**  
And you would think that it s pretty good  
**G** **Asus4 A**  
Till your friends told you and you understood  
**D**  
But it s me and I m hoping, For a new beginning  
**Asus4** **A** **Bm**  
Cause I never saw that sign that says The End
