I fell into a dream I hadn t seen before
Am **D**
He told me just to sing and not think anymore

D **A** **G**
Sing sing sing

G **A**
Cause I couldn t live without it
G **A**
I m singing as soon as I get the chance

D **A** **G**
Sing sing sing

A
There s something grand about it
G **A**
And if you want some more my friends
G
I ll sing for you again

[Repeat]

No matter if you re lost or all alone
You only need a tune
Just hum and you ll be home (hmm)
My life has changed in oh so many ways

But some things never change
I m still strumming dad s guitar
And I never stopped singing
Now look at where we are

Sing sing sing
Cause I couldn t live without it
I m singing as soon as I get the chance
Sing sing sing
There s something grand about it
And if you want some more my friends
I ll sing for you

D
Strawberry fields forever
(along, sing along, sing along, sing along, please sing along)

```
C#m
The long and winding road
(along, sing along, sing along, sing along, please sing along)
```

Gm **D**
 Got to get you into my life
 (along, sing along, sing along, sing along, please sing along)

Sing sing sing sing sing
Cause I couldn t live without it
I m singing as soon as I get the chance
Sing sing sing
There s something grand about it
And I will sing till the very end

Good luck (Auke)
