

The Rush Of Life
VanVelzen

[Intro] **A - A - F#m** " **E**

A **F#m** **E**
It's like thunder, lighting up my skies

A **F#m** **E**
Just like sugar, keeps my spirits high

A **F#m**
They're saying slow down, watch your step now, don't you stumble, don't you fall

A **F#m** **E**
But it's useless, it's the only way I know

A **E**
I need the rush (rush, rush, rush, rush)

F#m
I need the push (push, push, push, push)

A **E** **F#m**
I need the rush, you know I just can't get enough of it

A **E**
I need the rush (rush, rush, rush, rush)

F#m
I need the push (push, push, push, push)

A **E** **F#m**
I need the rush, you know I just can't get enough of it

A **E** **F#m**
I need the rush of life, I need the rush of life,
A **E** **F#m**
I need the rush and I can't get enough of it, no

A **F#m** **E**
It moves the body, it fires up the brain

A **F#m** **E**
It lives me up as I feel it running through my veins

A **F#m**
So I can slow down, watch my step now, I won't stumble, I won't fall,

A **F#m** **E**
I can't help it, it's the only way I know

A **E**
I need the rush (rush, rush, rush, rush)

F#m
I need the push (push, push, push, push)

A **E** **F#m**
I need the rush, you know I just can't get enough of it

Itâ€™s not that I never worry, Iâ€™m in the here and now

I need to keep pushing forward, I need to feel lows and heights

And I can go on forever, I just enjoy the ride

I need the rush of life, I need the rush of life

I need the rush and I canâ€™t get enough of it

I just enjoy the ride, ride

I just enjoy the ride, ride, yeah
