La la la la la la la la laâ€¦.laaaaaa la la la laaa

I ve seen so many things throughout my life,
the only thing I ve ever seen survive the test of time;
is the strength of your loveâ€¦
and then the right seems wrong,
and the wrong seems right,
just be careful..be strongg

Dm **A#** **C** **Am** **A#**

Gm **Am**

Chorus:

Whatever my eyes can see,
my heart can feel,
that s why I believe in love,
knowing my eyes can see,
as sure as the deep blue see,
that s why I believe in love

You best that ever lasting smile
gotta give thanks for the way you ve touched my life..
with your loveâ€¦
and when the right seems wrong,
and the wrong seems right,
I ll be careful, I ll be strongg

whatever my eyes can see,
my heart can feel,
that s why I believe in love,
knowing my eyes can see,
as sure as the deep blue see,
that s why I believe in love

In the moments when I m alone,
in the times when I m not sure,
I can always call on youu..

In the moments when I m in ?
When it seems like no ones there
There s one thing I know is true
I can always count on you..?

Intro

Sometimes, a woman s gonna trust her friend,
More than she trust her man (tell me why),
And its so sad when the best friend,
Turns out to be a deceiver.

Dm **A#** **C** **Am** **A#**
Gm **Am**

Verse 1

My phone rang about 3 oâ€™clock this morning,
And I thought it was you but it was your best friend.
Said she was lonely and ask me if she could come over
She said it would be our secret but I couldn t deal with it
What made it worseâ€¦

Chorus

Sheâ€™s your best friend who became my friend,
Then behind your back she tryna get in my bed.
Baby I admit, I didn t hit it,
cause if I did I wouldn t be no better thanâ€¦
Your friend who became my friend,
Then behind your back she tryna get in my bed.
Baby I admit, I didn t hit it,
cause if I did I wouldn t be no better than your friend.

Verse 2

So many times you said you can t trust me
So many times you think i was lying
But this is just how it happened,
Take a look in your life and realize the friend that you keepin
And how she want to be creepin, with your man
Itâ€™s so sadâ€¦

Chorus

Sheâ€™s your best friend who became my friend,
Then behind your back she tryna get in my bed.
Baby I admit, I didn t hit it,
cause if I did I wouldn t be no better thanâ€¦
Your friend who became my friend,
Then behind your back she tryna get in my bed.
Baby I admit, I didn t hit it,
cause if I did I wouldn t be no better than your friend.

Verse 3 (Rap)

Now baby love just listen to me,
I hate to be the one to tell you that your best friend tryna get with me
Talk about making access easy,
I couldn t do wrong and make you turn around and hate me
But everyday I hear my cell phone ringing
Check my voicemail and itâ€™s your girlfriend calling

Tellin me she got my number from you i aint lying
Tell me baby love if its true whatâ€™s the reason
Why she keep tellin me my style she be feelin,
Why she keep tellin me my that she donâ€™t mind creepin,
Why she keep tellin me my bed she wanna sleep in,
Baby love i don t mean to drop a dime on your friendship but
She make it easy i don t know what to do
But baby girl i know that i do love you
I would never jeopardize all the things we been through
Thatâ€™s why i keeps it real with you.

Chorus

This is bout your best friend who became my friend,
Then behind your back she tryna get in my bed.
Baby I admit, I didn t hit it,
cause if I did I wouldn t be no better thanâ€|
Your friend who became my friend,
Then behind your back she tryna get in my bed.
Baby I admit, I didn t hit it,
cause if I did I wouldn t be no better than your friend.
