Rose hip November - autumn I ll remember

**Am**            **Em**  
Gold landing at our door

**Dm**                    **Am**            **Em**            **Am** (interlude)  
Catch one leaf and fortune will surround you evermore

Pine tree very tall, waiting for snow to fall  
Mist hangs very still  
Caught by dawn in castle moats around the sleeping hill

Now a pipe is heard happy is the shepherd  
Shepherdess and dog  
Father of the pastureland and mother of the flock

Rosehip November, autumn I ll remember  
Gold landing at our door  
Catch one Leif and fortune will surround you
