**C**                    **A5**                    **C**                    **A5**  
You were standing in a dark club down in New Orleans

**C**                    **A5**                    **C**                    **A5**  
You were walking by a cafe on a Paris street

(Part 1)  
Be with me  
Protect me from the darkness of the sun  
Be with me  
Right now I just need to be with someone      **C**

**A5**                    **C**                    **A5**  
Saw you lying on the soft bed I had made for you  
**C**                    **A5**                    **C**                    **A5**  
Words unspoken are the only words I know are true

(Part 1)  
Be with me  
You are the flower in a desert sea  
Be with me  
Until the time to settle in with me, in with me

Be with me

**C**                    **A5**                    **C**                    **A5**  
Saw you laughing under the heavy London winter sky

**C**                    **A5**                    **C**                    **A5**  
Saw you disappear into the coldness of the morning light

**C A5 C A5** (x2)

(Part 1)

Be with me  
Protect me from the darkness of the sun  
Be with me  
Right now I just need to be with someone  
Oh with someone
