Chorus **Dm C Am**

When I touch your skin
A window arrives
And I go outside
I see rolling hills
Love has arrived
I should go outside

Chorus:

Dm		C	
We re going where it never rains			
Am			
To another place			
Dm		C	
All the love I found in you			
Am			
I ll take it with me too			
Dm		C	Am
This is the world they left to us			

We re going where it never rains
To another place
All the love I found in you
I ll take it with me too
This is the world they left to us
This is the world they left to us

I m going where it never rains
To another place
All the love I found in you
I ll take it with me too

This is the world they left to us
The only world they left to us
The only world they left to us
