Is It Me
Velvet Darkness
[Intro]
Α5
[Verse 1]
Waking up with blood in my hands, knowing it s not mine
Not remembering what happened last night
What is going on? It s such a mess
But I can t believe the hell I m in
[Pre-Chorus 1]
C5 D5 A5
        How could all this happen?
C5 D5 A5
                                   C5 D5 E5
        Maybe I should cry for help
[Chorus 1]
A5
Is it me? It s not me
Let me free, get out of here
A5
Is it me? It s not me
F5
             E5
                             A5
Let me free, get out of here
[Verse 2]
Α5
What is it that lingers in me?
Incomplete kindness I see
Just take a breath, it s just a bad dream
But something tells me it s not
[Pre-Chorus 2]
C5 D5 A5
        Could it be that wrong?
C5 D5 A5
                               C5 D5 E5
```

```
[Chorus 2]
Α5
Is it me? Could it be?
              E5
I can t explain all that I feel
Is it me? Could it be?
                                A5
I can t explain all that I feel

Whoa, whoa, whoa...
   D5 E5 E5 D5 C5 B5
Whoa, whoa, whoa!
[Bass solo]
N.C.
[Interlude]
Wait, I know you, I ve always had
In the darkness, we share a path
Those dark voices will never stop
This is real, I ll never wake up
[Verse 3]
   F5 E5
Come on, taste this blood
E5 F5
          E5
And tell me you don t like it
       F5
              E5
Feel the freedom, be yourself
              E5 D5 C5 B5
       E5
Unknown assassin
[Chorus 3]
