Messages Velvet Revolver Intro Dm Bb F A Bb F C Em G

(Verso 1)

Am F Honey so long, nice to see you

Dm G C Won t be long before I come back home

Am F When the plane lands, will you reach me

Dm G C Will you call me on the telephone

```
Coro
```

F C Tell my son I wish I never yelled at him yesterday cause everything s changed

G F C Radar signal seeking you, but finding nothing at all, hey --

 ${\bf G} \qquad {\bf F} \qquad {\bf C}$ Blow the horn and call the cavalry there s something happening, hey --

Riff: Am---F---Dm---G--C

Verso 2

Am F Goodbye mother, Tell my daughter

Dm G C Have to leave, Get of the telephone

Am F Theres a problem, Sinking feeling, Dm G С Heros died and plastic on the run Coro \mathbf{F} C Tell my son I wish I Never yelled at him yesterday Cause everythings changed, G C F And you, you gave me all you had, hey. C G \mathbf{F} I hope someday you will be happy, Without me. Riff: Am---F---Dm---G--C Dm Bb F Lost in a world that s quickly going by, вb Α You were there so strengthened you knew the ground, \mathbf{F} С Angels and the demons fight to save the lives, Em G While all the others cry Solo: Am \mathbf{F} Dm G F С С С Coro 2 G F C As for you, you made my life worth living, G F С I pray one day you will de happy, Without me. Goodbye, Goodbye. en el coro la segunda estructura (F--G--C) son 4 compases, uno para cada acorde y do (C) se repite (F - - G - - C - - C)Correcciones: jhon-gnr@hotmail.com
