VELVET REVOLVER

Set Me Free  
(Scott Weiland)

You operate and motivate on synthetic fuel  
You re mother nature and an atom bomb  
As long as you re kept full of pretty bodies  
Your little secret will be safe with me

Around again

Insane again  
It comes again  
And sets me free

Refrãfo

So set me free, set me free  
Cause I think you need my soul  
Set me free, set me free

You kept a lock and pulled a rise and fall  
I m thinking mama never lies  
And everything that you see  
But now I did it all, I did a little  
I wanna take you down with me

Around again  
Insane again  
She comes again  
And sets me free

Refrãfo 2x

So set me free, set me free  
Cause I think you need my soul  
Set me free, set me free

Bridge x2

So take me down  
Take me, down, down, down, down  
Take me down, take me down

Refrãfo 4x

So set me free, set me free  
Cause I think you need my soul  
Set me free, set me free

My Freedom
