Velvet Revolver ~ You Got No Right

intro: D Bb C

D Bb C D
I fell through the ice / She won't be coming back again / It never
Bb C Bb C D
wins to lie / She said you'll never have no rights /

Bb G D Bb G D
I've took it farther on the outside / I've took it nearly to the brink /
Bb G D Bb G D
And if you seen me on the outside / You would have barely seen me breathe/

Bb C D Bb
Funny right here I find myself / Inside a paper cup / Without a warning
C D
or a reason it's a treason / With no answer /
Bb C Bb
You got no right / To keep me waiting here / You got no right / To keep
C D
the pain in here / That holds the crown /

Bb G D
And if I fall apart on the outside / (You really don't believe me) /
Bb G D
And if I take it to the brink /
Bb G D
And if I fall apart on the outside / (You really don't believe me) /
Bb G D
You would have barely seen me breathe /

E G D E G D E
And if I meet you out tonight / Will you be loving me forever / It's always
G D Bb G D
over after the night / It's always colder after the night /

guitar solo: Bb G D x4
