

**We Like To Party**  
**Vengaboys**

Vengaboys- We Like to Party

Chords

capo 1st fret

**G**

We like to party  
We like, we like to party  
We like to party  
We like, we like to party  
We like to party  
We like, we like to party  
We like to party

**G**

I ve got something to tell ya

**D**

I ve got news for you

**G**

Gonna put some wheels in motion

**D**

Get ready cause we re coming through

**G**

Hey now, hey now, here s what I say now

**D**

Happiness is just around the corner

**G**

Hey now, hey now, here s what I say now

**D**

We ll be there for you

[Chorus]

N.C **G**

The Vengabus is coming

And everybody s jumping

**C D**

New York to San Fransisco

An intercity disco

**C G**

The wheels of steel are turning

And traffic lights are burning

**C D**

So if you like to party

Get on and move your body

Chorus chords through once for hook bit

**G**

We like to party

We like, we like to party

We like to party

We like, we like to party

**G**

Hey now, hey now, here s what I say now

**D**

Happiness is just around the corner

**G**

Hey now, hey now, here s what I say now

**D**

We ll be there for you

[Chorus]x2

N.C **G**

The Vengabus is coming

And everybody s jumping

**C D**

New York to San Fransisco

An intercity disco

**C G**

The wheels of steel are turning

And traffic lights are burning

**C D**

So if you like to party

Get on and move your body

**G**

We like to party

We like, we like to party

We like to party

We like, we like to party

We like to party

We like, we like to party

We like to party

We like, we like to party

The Vengabus is coming, the Vengabus is coming

The Vengabus is coming, the Vengabus is..

Chorus chords through once for hook bit

[Chorus] x2

N.C **G**

The Vengabus is coming

And everybody s jumping

**C D**

New York to San Fransisco

An intercity disco

**C G**

The wheels of steel are turning

And traffic lights are burning

**C D**

So if you like to party

Get on and move your body

End on **G**
