VERSE

When it s dark, and cold, and dreary and you are weary  
Shadows lurk inside the night  
But something s out there and it hides  
It s more than just your state of mind, and it s hunting for you

INTRO RIFF

CHORUS

If we were stronger than superheroes  
Wake up, save the world at once  
Then we could be the one to get rid of  
Enemies and tragedies they cause

When they come, and they re armed and ready

There s more in you than what you see  
And it s waiting for you
