SHADY - Vermillion Lies

Okay this one s VERY simple, but I guess there are people who can t get it right anyway

I m sorry if the lyrics are somewhat wrong, I just wrote it down as I heard it.

It s played like this

	Am		Em		G		Am	
e	-----0---0---0---0---0---0---0---0---0---0---3---3---3---3---0---0---0---0-----							
B	-----1---1---1---1---0---0---0---0---0---0---0---0---1---1---1---1-----							
G	-----2---2---2---2---0---0---0---0---0---0---0---0---2---2---2---2-----							
D	-----0---0---0---0---0---0---0---0---0---0---0---0---0---0---0---0---0-----							
A	---0-----0-----2-----2-----2-----2-----0-----0-----0-----0-----							
E	-----0-----0-----0-----0-----0-----0-----3-----3-----0-----0-----0-----0-----							

Am **Em** **G** **Am**
There s a dark, waiting for the sun, to shine

Am **Em** **G** **Am**
There s a cloud, being lifted from, my mind
(And so on~)

There s a black cat laying on my, brown desktop
There s someone that I m singing to
And I, just can t stop

I like you, I like you, I like you, I like you
I do
I don t know why I feel this way, about you
We only met once but I feel you, in me
That one conversation still echoing

So I am waiting for the sun, to shine
I ll have you over, to drink, some wine
I ll get you drunk and take advantage, of you
Mmmm oh yeah, that s what, I ll do

I like you, I like you, I like you, I like you
I do
I don t know why I feel this way about you
The Last Time I saw you you turned away
My poor heart was breaking apart the next day

There s a dark waiting for the sun to shine
You re lifting so many of these clouds from my mind
And now I see you almost every single day
I don t know how I ever lived any other way

You like me, you like me, you like me, you like me

I see

I m so glad that you feel this way, about me

We talk every day and we re still having fun

What more could we ask for except a little more sun
