

Do You Believe Me Now
Vern Gosdin

(CAPO 1ST FRET)

INTRO: **D - C - G**

Don t you think you should have called, To tell me you were coming down
Oh you look so out of place, On this troubled side of town
It s a place where losers go, When they know theres nothing left
And after losing you, I just lost the will to live

CHORUS:

Do you believe me now, I told you time and time again
My heart and soul is in your hands, Do you believe me now
Do you believe me now, Look at the living dieing proof
I ain t nothing without you, Do you believe me now

I don t know what changed your mind, I won t ask if this is real
I don t know if you re a dream, I only know how good it feels
If you could find it in your heart, To say the fire for me still burns
I ll find a place to turn around, Down this road of no return

[Repeat Chorus]
