VersaEmerge

[Verse 1]

Ebm

You re so hypnotizing

Ebm

Could you be the devil, could you be an angel

Ebm

Your so magnetizing

Ebm

Feels like I m floating, leaves my body glowing

Ebm

They say be afraid

Ebm

You re not like the others, futuristic lover

Ebm

Different DNA

Ebm

They don t understand you

[Pre-Chorus]

B Db

You re from a whole nother world

Abm

A different dimension

B Db

You open my eyes

Abm

And I m ready to go, lead me into the light

[Chorus]

B Db

Kiss me, ki-ki-kiss me

Ebm

Infect me with your loving, fill me with your poison

B Db

Take me, ta-ta-take me

Ebm

Wanna be your victim, ready for abduction

B Db Ebm

Boy, oh, you re an alien

F# B

Your touch so foreign

Db

It s supernatural

Ebm

Extra-terrestrial

[Verse 2]

Ebm

You re so supersonic

Ebm

Wanna feel your powers, stun me with your lasers

Ebm

Your kiss is cosmic

Ebm

Every move is magic

[Pre-Chorus]
