Father Sky VersaEmerge

Not 100% sure, but you can get through the song alright.

x02100 no clue what this chord is. D: but its used a lot.

C#m

What a deal I ve worked with Father Sky

C#m

He s given me a choice with time

A x02100

Walking straight on lines

C#m

Don t let our ankles roll

C#m

You ve got to tip toe not to hurt your soul

A x02100

Our bodies take a toll

Δ

You move the Pacific

В

You move...

C#m 1

Tearing through the light of your horizon

A I

I try to find a way to screw my head on right

C#m 1

Tell me to confess but I have no regrets

.

You ve got me by the neck

C#m B

It s raw to my leather flesh

A B

I gave my best, away

А

to no one specific

R

You re no one specific

C#m

C#m

A bone chilling culture mess and still the vulture over my head x02100is threatening my sins C#m Digging deep inside my chest realize we re loving less Oh, and I gave my best away You move the Pacific You move... C#m Tearing through the light of your horizon I try to find a way to screw my head on right Tell me to confess but I have no regrets You ve got me by the neck C#m It s raw to my leather flesh I gave my best, away to no one specific You re no one specific BRIDGE C#m В Who are you when no one s watching? В Cause I always find myself talking C#m to someone in time with me x02100To who do you speak but never see? **A** x02100 To who do you speak but never see? C#m

Tearing through the light of your horizon

```
C#m
Tell me to confess but I have no regrets
You ve got me by the neck
C#m
 It s raw to my leather flesh
I gave my best, away
to no one specific
You re no one specific
You re no one specific
(What a deal I ve worked with Father Sky)
To no one specific
You re no one specific
C#m
(What a deal I ve worked with Father Sky)
To no one specific
       A
You re no one...
```

I try to find a way to screw my head on right
