**E5**  
With a swerve, my eyes avert  
    **F#5**            **D5**  
My mouth somehow forgets to work  
**E5**  
So I stare until you shout  
    **F#5**            **D5**  
Wondering why you can t figure me out

**E5 F#5 D5**  
Ooh

**E5**  
With a change, recall the names  
    **F#5**            **D5**  
I m spitting out words, hoping it works  
**E5**  
Still I stare while they all shout  
    **F#5**            **D5**  
Why can t I even figure it out?

**C**  
Ooh

**Bm C#sus4**

The time I m wasting

**Gadd9 D Dmaj7**

Can t say where I ve been

**Em**

Catching my same old way

**G\***

Slowly spin beneath the day

**C#sus4**

Your time I m wasting

**Gadd9 D Dmaj7**

Can t say where we ve been

**Em**

Cause it seems to me that

**G\***

Nothing s what it s ever meant to be

**E5**

With my fate, my thoughts erase

**F#5 D5**

My head s a blur, the picture fades

**E5**

Eyes, they keep on shutting down

**F#5 D5**

I can t see why you won t figure me out

**E5 F#5 D5**

Ooh

**Bm C#sus4**

The time I m wasting

**Gadd9 D Dmaj7**

Can t say where I ve been

**Em**

Catching my same old way

**G\***

Slowly spin beneath the day

**Bm C#sus4**

Your time I m wasting

**Gadd9 D Dmaj7**

Can t say where we ve been

**Em**

Cause it seems to me that

**G\***

Nothing s what it s ever meant to be

(Can t get this part)

Why can t you figure me out?

With a twist

My mind has missed

You said that I d forget

(From Bm to Dmaj7 hit the chord once and let it ring)

**Bm C#sus4**

The time I m wasting

**Gadd9 D Dmaj7**

Can t say where I ve been

**Em**

Catching my same old way

**G\***

Slowly spin beneath the day

**Bm C#sus4**
