

The Hider
VersaEmerge

Almost too easy. But this is what I got
eliseisradd@ymail.com

Em **B**
My mouth has shut not to open up,

Em **B**
I ve kept my back to them.

Em **B**
Those things they say blew my ears away,

C **B**
Oh, I ve stopped, I ve stopped listening.

C **Bm**
Ooooooooooh

Em
It s something new

C **Em**
you should try feeling

C
waking up on the other side.

Em **C**
These walls why do we need them?

Bm **C** **Em**
I ve hidden so well

Em **B**
We re drawn to be what we wish to see,

Em **B**
you only half believe.

Em **B**
Now I have strayed, falling far away.

C B
Let me clear my lungs show you everything I have done.

C B
Gritting my teeth to perfection.

Em
It s something new

C Em
you should try feeling

Em C
waking up on the other side.

Em C
These walls why do we need them?

Bm C Em
I ve hidden so well

Em
It s something new

C Em
you should try feeling

Em C
waking up on the other side.

Em C
These walls why do we need them?

Bm C Em
I ve hidden so well

Solo- Em

C B
Ohhhhh

Em C
A fear of forgetting my face

Em C
because what you see is not me.

Em C
They twist my bones till

Em B

I m gone... oh so gently.

Em

It s something new

C Em

you should try feeling

Em

C

waking up on the other side.

Em

C

These walls why do we need them?

Em

C

Em

I ve hidden so well
