Intro / Verse

Basically just back and forth played fast on the bottom two strings. Listen to the song for the rhythm.

```

E-|-0-----0----0----0-----0----0----0-----|
B-|-----3-----3-----3-----|
G-|-----|
D-|-----|
A-|-----|
E-|-----|

```

I need you to hear me,  
I want you to feel this,  
It should be clear as fear and plain as day.

I m not going to bend now,  
You re not going to break me,  
You ll never be hard enough to scratch my face.

CHORD PROGRESSION (x2):

**Em C/F C Gadd4 Fsus2/G Cmaj7/G F**

```

E-|-000--0---0----3-----3-----3-3-----1--|
B-|-000--1---1---3-----6-----5-5-----1--|
G-|-000--0---0----4-----5-----4-4-----2--|
D-|-222--3---2---5-----3-----5-5-----3--|
A-|-222--3---3---3-----3-----3-3-----3--|
E-|-000--1---x---3-----3-----3-3-----1--|

```

I wanted to feel you,  
I tried to belong here,

With all of the ghosts and faded headlines.  
But I couldn't read you,  
You wouldn't let me,  
You always pull away from the ones you can't define.

**Cadd9**

**A7sus4**

Are you tired of holding up the sky?

**Am7**

Of teaching birds to fly?

**Cadd4**

You've done it all your life.

**Cadd9**

**A7sus4**

Oh baby are you sad, when you see the sun?

**Am7**

Cause then your not the brightest one,

**Cadd4**

When all is said and done,  
Yeah honey, all is said and done.

REPEAT INTRO/VERSE

I need to move through this,  
The waiting just kills me.  
Whatever you do is on you, I'm washed clean.

No, don't be alarmed now the story's ending,  
These aren't open arms, they're just waving you away.

REPEAT CHORUS

Are you tired of holding up the sky?  
Of teaching birds to fly?  
You've done it all your life.

Oh baby are you sad, when you see the sun?  
You've never been the brightest one,  
When all is said and done,  
Yeah honey, all is said and done.  
All is said and done.
