C#m   **Am**
I m on the outside, looking in
What do I see?

Cover me through this night

I Guess I don t know what s, left to say
But hear me out
C#m   **Am**
All of the dreams of, yesterday
Keep breaking me down

What s on the outside, can you say
                      F#m E   Asus2
Or am I getting carried away
