Verse 2:----same chords/riffs as verse 1

And I feel the cold wind blowing beneath my wings

It always leads me back to suffering

But I will soar until the wind whips me down
Leaves me beaten on unholy ground again

So tired now of paying my dues
I start out strong but then I always lose
It s half the distance before you leave me behind
It s such a waste of time

Chorus:

D5

Cause my shackles

F5

You won t be

D5

And my rapture

F5

You won t believe

D5

F5

And deep inside you will bleed for me

guitar plays these power chords...

So take your piece and leave me alone to die

And why it follows me so easily
It s half the distance through the open door
Before you cut me down
Again.....Let me introduce you to the end
