MAIN RIFF.....(s=slide, po=pull off) s= slide po= pull off *=harmonic I----2-2------|I I----4-4----7*-----------|I I-----|I I-2-----|I How to play the chords.... C#m-x24432 B-x02200 F#-222100 E5-xx023x F#5-xx245x A5-555xxx**B5**-777xxx Verse 1: Main riff For so long my life s been sewn up tight Main riff Inside your hold And it leaves me there without a place To call my own C#m F# I know now what shadows can see F# В There s no point in running less you run with me It s half the distance through the open door Α5 Before you cut me down В5 Again....Let me introduce you to the end (main riff 2x) Electric guitar: E5--G5--E5--G5

Verse 2:---same chords/riffs as verse 1 And I feel the cold wind blowing beneath my wings It always leads me back to suffering But I will soar until the wind whips me down Leaves me beaten on unholy ground again

So tired now of paying my dues
I start out strong but then I always lose
It s half the distance before you leave me behind
It s such a waste of time

Chorus:

F#5

Cause my shackles

A5

You won t be

F#5

And my rapture

Α5

You won t believe

F#5 A5

And deep inside you will bleed for me

Verse 3:---Same as 1 and 2, only the electric guitar plays these power chords...

F#5

A5

F#5 A5 F#5

So here I slave inside of a broken dream

A5

Forever holding on to splitting seems

F#5 A5 F#5

So take your piece and leave me alone to die

Α5

I don t need you to keep my faith alive

I know now what trouble can be
And why it follows me so easily
It s half the distance through the open door
Before you cut me down
Again.....Let me introduce you to the end

Chorus

Instrumental:

E5----(for quite a while) Solo (I didn t tab it)

Bridge-thing:

F#5 E5

Though you know you care

Chorus

(This part same as chorus)
And my laughter
You won t hear
The faster

I disappear
And time will burn your eyes
(to tears)

E5----(for quite a while)
Also another solo which I didn t tab
