ALL TOO MANY PIECES
by Vertigo

Transcribed by:
The Sultan of Suede
(jenglish@agrium.com)

A slower, melodic song. Like most
by the band, it is more acoustic-based.
This transcription is in standard tuning.
I ve noted the kind of odd chords at the
end. The notes in the chorus are single
notes strummed with open strings...Take
note, I ll explain more clearly at the end.
