CHANGE IT UP AGAIN

This song features about 3 or 4  
layers of acoustics...it was really  
tough figuring out what was what, but  
this is it. Sounds pretty good with  
just one acoustic guitar, but I doubt  
I d try it electric. The song is a  
medium-slow paced one; a ballad type  
of pace.

Cmod  
If I never see you round here again

**G#m**
