**Mind Games**
**verzache**

These are the chords I play, I m not sure of their names. I tried to line up the
timing as best I could,
listen to the song for a better feel!

**C#7sus2**  x46444
**Amaj7**    002120
**G#m**      066444
**E**        076454

[Intro]
**C#7sus2    Amaj7    G#m**

[Verse]
**C#7sus2    Amaj7**
My brain playing mind games
**G#m**
     Just ever wanna escape
**C#7sus2       Amaj7**
Sometimes I think it s too late
**G#m**
too many problems wanna deflate
**C#7sus2             Amaj7**
Same change on a different day
**G#m**
Out of touch with my fate
**C#7sus2       Amaj7**
Can t recognize my face
**G#m**
Still I face decision that I know I can t make

[Pre-chorus]
**C#7sus2**
It s sometihng in my blood
**Amaj7**
Cause everytime I bleed it s blue
**E**
And I haven t felt so well
**G#m**
But I m not hiding from the truth

[Chorus]
  **C#7sus2**
Just dive in
**Amaj7**                 **E**
Straight into the deep end
**G#m**          **C#7sus2**
I don t have a reason

```
Amaj7                       E
To not find my meaning
G#m             C#7sus2
        I know I can t
Amaj7                       E
I just need an aspirin
G#m                 C#7sus2
Truth is that I m drowning
Amaj7                             E
I cannot leave myself broken
G#m
          Hurt but I m open
```
