C Em
Oh Lon Chaney where you been so long?

C Em
Sit right down and let me sing you a song

Am G
I seen you on a movie in my room
C G

C Em
Oh Lon Chaney with the velvet touch

C Em
Silver dagger and the black man s crutch

Am G
Now s the time to come out from your tomb
Am G

Am G Am G
You look so sad with a face of stone

Am G C
With a hunchback s eye you live
C D

C Em
Oh Lon Chaney with the velvet touch

C Em
Gypsy woman that you love so much

Am G
Say goodbye, you re cured, you re free at last
C G

C Em
Oh Lon Chaney what s to hold you back?

C Em
The wolfman s dead and the old black cat is gone

Am G
Like a memory faded from your past
C G

Am G Am G
You look so sad with a face of stone

Am G Am G
Just skin and bone, you re all alone

Am **G** **C**
With a hunchback s eye you live
