Gone looking for you  
Sister, what did you do?

Goin through some kinda stage, but

It s safe now, the coast is clear

**F**

Come back,

**Dm**

**F**

I m the only one here sister  
Oooooh ooh ooh ooh...

**Dm C F**

Sister, I need to know,

**Dm**

Why you re fighting this world so

**F**

Old enough to dare,

**Dm**

Too young to be treated fairly

**C**

You fought back with pride, sister

**Dm**  
Some loves are bound to be

**F**  
Much more than the world believes,

**Bb** **C**  
You locked the door and you left the key behind

**F**  
I pray that you ll come to  
Your senses, and when you do  
Hear my plaintive moan

**Dm**  
See how these strange minds grow,

**Bb** **C** **F**  
Your feeling at home, sister
