

The Swimming Song Vetiver

So this is a very simple song but a very emotional one, and the chords used in the song are as follows. The progression never changes:

G D Em C D Em D G

Same progression for the rest of the song, listen to it to get the cues of when to change on certain words.

[Lyrics]

G

This summer I went swimming

D **Em**

This summer I might ve drowned

Em **C**

But I held my breath and I kicked my feet

D **Em**

And I moved my arms around

D **G**

Moved my arms around

(same chords progression)

This summer I swam in the ocean

Then I swam in a swimming pool

Salt my wounds, chlorine my eyes

I m a self-destructive fool

A self-destructive fool

[Banjo Break]

This summer I did the backstroke

And you know that that s not all

I did the breaststroke, and the butterfly

And the old Australian crawl

The old Australian crawl

This summer I swam in a public place

And a reservoir to boot

At the latter I was informal

at the former I wore my suit

I wore my swimming suit

[Banjo Break]

This summer I did swan-dives
And jack-knives for you all
And once when you weren t looking
I did a cannonball
I did a cannonball

This summer I went swimming
This summer I might ve drowned
But I held my breath and I kicked my feet
And I moved my arms around
Moved my arms around

[Fiddle Solo]
