Sorry if theres errors, tried my best guessing!

Song: Bring on the Comets

Band/Artist: VHS or Beta

Standard Tuning

(chords used: **C**, **F**, **G**)

INTRO: **C**, **F** (4x)

VERSE:

C **F**
Suddenly, we were left

C **F**
Without the worry of tomorrow

C **F**
And comets fell from the sky

C **F**
I took your breath, you took my sorrow

C, **F** (4x)

VERSE:

C **F**
You walked sad in a dream

C **F**
But count your days, boy, they are fading

C **F**
You set a fire in my heart

C **F**
One chance in a lifetime was worth the waiting

PRE-CHORUS:

G **F**

Let us go easy as we watch them hit the ground

G **F**
When the light is gone, the memory of nothings left to sound

G **F**
Memories, sweet whispers are all that we ll have left

G **F**
So fall into these arms tonight and share this one last breath

CHORUS:

C **F**
Bring on the comets (3x)

C **F** **C** **F**
Bring on, bring on, bring on, bring on, bring on the comets (10x)

(you don t have to play the last part 10 times, it eventually fades, I just counted
exactly how many times they sang it)
