G **A7sus**
We will try to waste them
Em
s you can try to feel em?
G **A7sus** **Em**
It s all in the name of hell
G **A7sus** **Em**
we got to fear it with a good sensation
C
it s easy come and go

G **A7sus**
we want something
Em
everyone wants something
G **A7sus** **Em**
everyone s got to believe
G **A7sus**

we take you to it

Em

nothing else to do

C

but live the life, it's all a lie

G **A7sus**

we burn the flags

Em

burn the house

burn the church

G **A7sus** **Em**

just burn it all down

A7sus

Em7

we took the stitches out of our wounded eyes

G A7sus Em7

install the masses with cynical retraction

C

they know your coded lies

G A7sus

We can t function

Em

no one here can function

G A7sus Em

no one can even speak

G A7sus Em

I hear the bombs, a million shiny bombs

C

I close my eyes

C

I close my eyes!

D Em

C

I ll bring the bread you ll bring the wine

D Em C

this party s over one last time

burn it all down
