C# **G#** **Bbm F#**
Stop, slow down, take a deep breath, ooh oh yeah
C# **G#** **Bbm F#**
Stop, slow down, take a deep breath, na na na na na, ooh, oh

C#
I look at you and I know you re trouble
G#
I should run just fast as I can
Bbm
One smile, game over
F#
Here in front of you I stand
C#
I know you re only gonna burst my bubble
G#
Trouble is my heart don t care
Bbm
It s ignoring all the danger signs
F#
Stop, Slow down, take a deep breath, beware

C# **G#**
I m not willing to be so fearless, careless, just yet
Bb F#
Once bitten, twice shy, is what you get

C# **G#**
My hearts got a mind of it s own
 Bbm
Won t listen to a word I say
 F#
Doesn t it know that I get hurt too, when it acts that way
C#
Cos when it breaks I break
G# **Bbm**
I don t know how much more of this I can take
 F#

Doesn't it know that I get hurt too, when it acts that way

C#

Too many times I've witnessed

G#

My heart make a fool of itself

So sure it's gonna turn out one way

Always flippin' into over ride

It over rules my cynical mind
