

**Blame**

**Victoria Bigelow**

[Verse]

**B** **Bmaj7**  
Wait for you to make a move  
**Emaj7**  
You stand there and make a point  
**Bmaj7**  
Guess I really did it this time  
**B** **Bmaj7**  
Told you everything last night  
**Emaj7**  
Got drunk I forgot to bite  
**Bmaj7**  
My tongue like usual

[Chorus]

**E**  
How could I blame you  
**Em** **Bmaj7**  
I wouldn't love me at all  
**E**  
I'll never blame you  
**Em** **B**  
You just broke my heart

[Verse]

**Bmaj7**  
Though that I was over it  
**Emaj7**  
But our demons they never quit  
**Bmaj7**  
Thought you'd know me by now  
**B** **Bmaj7**  
I'm spinning while you run the bath  
**E**  
Spewing words I'll never get back  
**E** **Bmaj7**  
You yell get yourself cleaned up

[Chorus]

**E**  
How could I blame you  
**Em** **Bmaj7**  
I wouldn't love me at all  
**E**  
I'll never blame you  
**Em** **B**

You just broke my heart

**E**

But how could I blame you

**Em** **Bmaj7**

I wouldn't love me at all

**B E Em**

[Bridge]

**C#7**

Call me out, tell me everyone I've lost

**E**

They fault me for everything exhausting

**B**

**F#**

I'm the one, the reason you're punching walls again

**C#7**

Oh call me out, tell me everyone I've lost

**E**

They fault me for everything exhausting

**B**

**F#**

I'm the one, the reason you're lying in the bed

**C# Em**

Oh, again

[Chorus]

**E**

Well, how could I blame you

**Em** **Bmaj7**

I wouldn't love me at all

**E**

I'll never blame you

**Em** **Bmaj7**

You just broke my heart

**E**

But how could I blame you

**Em**

I'll never blame you

**C#7**

I'll never blame you

**Em**

You just broke my heart
