I m not sure if the lyrics are right, because there aren t actually any reliable lyric sites up there right now for the phrases that are hard to understand.

Capo 4

F, C, G, Am x2

F
Broken glass,
C
Broken heart,
G **Am**
There s a picture that s been laid on the floor.
F
Empty space,
C
On the wall,
G
While i m staring at
Am
Wishing that you d call.
F **C**
Cause every time you call me up,
G **Am**
I m reminded of the pain you caused.
F
Can t move on,
C
It s so hard.
G **Am**
When you keep on coming back for more!
F **C**
It s time for me to say,
G **Am**
I know you re only going to break my heart
F **C**
You re getting in the way,
G **Am**

I should ve seen this coming right from the start.

So baby don t come around anymore,

Or you ll be standing outside my front door.

So listen as I say,

Baby i m tearing us apart because you re only gonna break my heart.

F, C

(I m tearing us apart)

You re only gonna break my heart

(I m tearing us apart)

Everyday,

It s the same.

I keep seeing you I keep hearing your name.

And I know

That one day

I ll get over you and I ll be okay.

But everytime you call me up

I m reminded of the pain you caused.

Can t move on,

It s so hard,

When you keep on coming back for more!

It s time for me to say,

I know you re only gonna break my heart

You re getting in the way,

I should ve seen this coming right from the start.

So baby don t come around anymore

Or you ll be standing outside my front door
 So listen as I say,
 Baby I m tearing us apart
 Cause you re only gonna break my heart.

Someday, Somehow
 I may say these words aloud.
 And I ll make you see
 What you re doing to me isn t right
 But not right now.

F, C, G, Am x2
 It s time for me to say
 I know you re only gonna break my heart
 You re getting in the way
 I should ve seen this coming right from the start
 So baby don t come around anymore.

Or you ll be standing outside my front door
 So listen as I say...
 Baby I m tearing us apart
 Because you re only gonna break my heart...
 You re only gonna break my heart
 You re only gonna break my heart

F, C, G, Am
