

## Fever

Victoria Duffield

**G** **G** **D** **D**

Another headache, another heartbreak

**Cadd9** **Cadd9**

I try to sleep it all off but it wonâ€™t take

**G** **G** **D** **D**

Another turn-around, Another let-down

**Cadd9** **Cadd9**

I see your lips move but thereâ€™s no sound

**G** **G** **D** **D**

Another slow finish, Iâ€™m gettinâ€™ lost in it

**Cadd9** **Cadd9**

I just canâ€™t keep my head from spinninâ€™

**G** **G** **D** **D**

I canâ€™t make this work right with or without it

**Cadd9**

Why canâ€™t you just

**G** **G**

(Oh!) Make your mind up, Iâ€™m dizzy

**D** **D**

(Oh!) You only ever disappoint me

**Cadd9** **Cadd9**

(Oh!) Youâ€™re makinâ€™ me sick when you donâ€™t speak

**D** **D**

(Oh!) Boy, youâ€™re always givinâ€™ me

**G**

Fever (fever)

**G**

Fever (fever)

**G**

Fever

**D** **D**

Boy, youâ€™re only givinâ€™ me

**G**

Fever (fever)

**G**

Fever (fever)

**G**

Fever

**D** **D**

Boy, youâ€™re always givinâ€™ me

Another cold-sweat, another regret

Another thing that I want but I wonâ€™t get

Another nice try, another alibi

Thereâ€™s not a nice way to say this, itâ€™s goodbye

Another easy-come, another easy-go  
Another â€œweâ€™re done if you say soâ€•  
I canâ€™t make this work right with or without it  
Why canâ€™t you just

(Oh!) Make your mind up, Iâ€™m dizzy  
(Oh!) You only ever disappoint me  
(Oh!) Youâ€™re makinâ€™ me sick when you donâ€™t speak  
(Oh!) Boy, youâ€™re always givinâ€™ me

Fever (fever)  
Fever (fever)  
Fever  
Boy, youâ€™re only givinâ€™ me

**G** **D**  
My heartâ€™s in repair  
**G** **D**  
What you say, I donâ€™t care  
**G** **D**  
As long as you just say something  
**G** **D**  
Let me know where I stand  
**G** **D**  
Am I in demand?  
**G** **D**  
Or should I just run while I can?

Make your mind up, Iâ€™m dizzy  
You only ever disappoint me  
Youâ€™re makinâ€™ me sick when you donâ€™t speak  
Boy, youâ€™re always givinâ€™ me

(Oh!) Make your mind up, Iâ€™m dizzy  
(Oh!) You only ever disappoint me  
(Oh!) Youâ€™re makinâ€™ me sick when you donâ€™t speak  
(Oh!) Boy, youâ€™re always givinâ€™ me
