All I Want Is Everything
Victoria Justice

Intro: **F**(2x) **C**(2x) **Dm**(2x) **Bb**(2x)

 F(2x)   **C**(2x)
I feel delirious
 Dm(2x)   **Bb**(2x)
Come lets get out of here
   F(2x)   **C**(2x)
We are so anonymous
Dm(2x)   **Bb**
But its all coming clear
 F(2x)   **C**(2x)   **Dm**(2x)
We are heading for the sky
 Bb(2x)   **F**(2x)
And we will get lost in it
 C(2x)   **Dm**(2x)   **Bb**(2x)   **F** (2x)   **C**
Cause all I want, all I want, all I want is everything

I will pose if I wanna
I will vogue like Madonna
I might not dance like MJ, RIP
But I will give the best of me

(**F C Dm Bb**)
All I want is everything, yes everything
Too much is not enough
Im sick of settling for in between
And Im not giving up

(**F C Dm Bb** - quick downward strums)
As long as it feels right
At least we know that we are alive
All I want is everything, yes everything yeah, oh

(follow same pattern through whole song)

We dont ever stop

Lets watch the sun come up
We will sleep when we are dead
Cause halfway kind of sucks
We are heading for the sky
And we will get lost in it
Cause all I want, all I want, all I want is everything

I will pose if I wanna
I will vogue like Madonna
I might not dance like MJ, RIP

But I will give the best of me

All I want is everything, yes everything
Too much is not enough
Im sick of settling for in between
And Im not giving up
As long as it feels right
At least we know that we are alive
All I want is everything, yes everything yeah, oh

Hold on to me and I will hold to you
Dont overthink, what have we got to lose
Its me and you, me and you no matter what
Oh

We are heading for the sky
And we will get lost in it
Cause all I want, all I want, all I want is everything

I will pose if I wanna
I will vogue like Madonna
I might not dance like MJ, RIP
But I will give the best of me

All I want is everything, yes everything
Too much is not enough
Im sick of settling for in between
And Im not giving up
As long as it feels right
At least we know that we are alive
All I want is everything, yes everything yeah, oh
