

**Cheer Me Up**  
**Victoria Justice**

The entire song is just four chords repeated:

| E | G#m | C#m | B |

You get me out of my seat, it s like I ve been in bed for a week  
I ve been slippin and slidin all over the place  
And nobody cares, I m such a disgrace  
You get me out of my mood, that s something only you can do  
Cause I feel like I m home when I m in your arms  
And that s why I need you to

Cheer me up  
Come on dance with me  
And you take my hand  
Cheer me up  
Even if we re the only ones dancing  
Cheer me up  
Please won t you cheer me up  
Even if were the only ones dancing

Give me a reason to smile, the kind that will last for a while  
Like only you know how, make it okay now  
Well you got your ways how to make this girl s day  
It s the magic that s in your touch, it makes everything mean so much  
The poetry in you eyes is enough in itself to take me to a high  
Whooo (You take me to a high)  
You ve got to cheer me up

Cheer me up  
Come on dance with me  
And you take my hand  
Cheer me up  
Even if we re the only ones dancing  
Cheer me up  
Please won t you cheer me up  
Even if were the only ones dancing

You turn my frown upside down  
My smile s lost and found  
When you are around  
You turn my frown upside down  
My smile s lost and found  
When you are around

Cheer me up  
Come on dance with me  
And you take my hand  
Cheer me up  
Even if we re the only ones dancing  
Cheer me up  
Please won t you cheer me up  
Even if were the only ones dancing

Only you got the magic, only you got the key to my heart, to my heart  
Only you got the magic, only you got the way to my heart  
You ve got to cheer me up

Cheer me up  
Come on dance with me  
And you take my hand  
Cheer me up  
Even if we re the only ones dancing  
Cheer me up  
Please won t you cheer me up  
Even if were the only ones dancing
