F C Dm Bb

Patience running thin,
running thin, come again?
Tell me what I get
Opposite, opposite
Show me what is real
If it breaks, does it heal?
Open up your ear,
Why you think that I m here?

Keep me in the dark, are you even thinking of me?
Is someone else above me, gotta know gotta know
What am I gonna do, cause I canâ€™t get through to you
So whatâ€™s it gonna be, tell me can you hear me?
