

Gold
Victoria Justice

I did this song by ear and i think that its pretty close. when the * comes, in the song its more of just a beat in the background. no capo needed

G
Iâ€™ve been trying to let it go
D
But these butterflies I canâ€™t ignore
Em
Cause every time that I look at you
D
Know weâ€™re in a catch 22
G
Weâ€™ve been friends for so long but I
D
Need to tell you whatâ€™s on my mind
Em
Iâ€™m sick and tired of playing games
D
â€™Cause I know that you feel the same
G **D**
I Know you inside out, so Iâ€™m asking now
Em
Take a chance on me
D
How much clearer can I be?
G
Hey, boy, what you gonna do
D **Em**
If you want me like I want you, then man up and make your move
D
Iâ€™m gold, gold
G **D**
You, me, good as can be, want to be more than your company
Em
So bet your money on me
D
Iâ€™m gold, gold
G
Do I really need to spell it out?
D
My heart skips when you re around
Em
I got everything that you need
D
So come on baby get close to me
G

So confused that I m not surprised

D

From greater bells, and rolled the dice

Em

Know all your moves, don t know why I fall

Should put me out, but I want it all
