Tell Me That You Love Me
Victoria Justice

Hey guys, this is my first tab, so yeah. I love this song! Its a beautiful song
and im happy to share it. Well, part of it. Anyway, there are three main chords
used in the intro. They are:

A,**B**, and **C#**.

Here it is.

```
A        B  C#
```
Ohh

yeah yeah

```
A                                      B        C#
```
The situations turns around
```
                                    A
```
enough to figure out
```
                                  B               C#
```
That someone else has let you down
```
                      A                   B        C#
```
So many times I don t know why
```
 A                                      B                         C#
```
But I know we can make it as long as you say it

And thats it. Hopefully i can get the whole song up soon. Thanks!
