[Verse]

Now you say you re hungry, you might want somethin to eat  
Oh, I ain t got no bread, but I can give you some meat  
Now when the rooster and the hen, go to the barn to play  
Ah, the hen has chickens, how do they do it that way?

Now if you want somethin good, you mustn t knock on wood  
Just get a good man to look up under your hood  
And when your sweetie goes away to stay  
If you get him back, you gotta do it that way
