

Deus Imenso  
Vida Reluz

**A9**                 **F#m**                    **D**  
Não sou nada, eu bem sei  
          **Bm**                            **E**                    **E7**  
Tão pequeno, um grão de areia em tuas mãos  
**A9**                 **F#m**                    **D**  
Barco à vela, que se abandona  
          **Bm**                            **E**                    **E7**  
Segue o rumo e vai buscando o alto mar  
**A9**                 **F#m**                    **D**  
Assim me encontro, diante de Ti  
          **Bm**                            **E**                    **E7**  
Um Deus imenso que por amor se deixa alcançar

**A9**                                 **F#m**                                 **D**  
Te adorarei, meu Deus, enquanto eu existir  
          **Bm**                    **G**                    **E7**  
Proclamarei as maravilhas que fizeste em mim  
**A9**                                 **F#m**                                 **D**  
O teu calor me envolve, o teu olhar me acalma  
          **Bm**                                 **G**                    **E7**  
**E** em teus braços o teu amor / Inflama minha alma  
**A9**                                 **F#m**                                 **D Dm**  
Que posso mais dizer, se o coração já disse!  
**A9 F#m D E7 A9**  
Te amo
