Am Dm E Am

Am Dm  
Nightfall we re brushing past your town  
E Am  
Destination not you my one  
Am Dm  
The driver doesn t know way down  
E  
How deep these bright-eyed feelings run  
Am Dm  
I ve no intention of confessing today  
G C  
I need to make distance a while  
Am Dm  
But miles don t make your image fade  
E  
They don t erase this secret smile

Am Dm  
Everything reminds me  
G C  
Wet grey gold-lit streets  
F Dm  
Shop displays near-lovers meet  
E Am  
I feel the grasp of your hand still  
Am Dm  
This your face now in the glass  
G C  
Breathing whisper what is this  
F Dm  
Bent so close we nearly kiss  
E Am  
Although we never will

Am Dm E Am

Am Dm  
Strange that there s no hurtful need  
E Am  
Used to be my only sign  
Am Dm  
On my mind would make me bleed  
E  
Why is it that I m feeling fine

**Am** **Dm**  
Why is it this warmth within  
**G** **C**  
No candlelight that causes burn  
**Am** **Dm**  
Memories of you begin  
**E**  
Well welcome friends  
**Am**  
Glad you've returned

**Am** **Dm**  
Everything reminds me  
**G** **C**  
Music surging bedroom dance  
**F** **Dm**  
Crazy spinning sultry glance  
**E** **Am**  
I inhale your presence still  
**Am** **Dm**  
These your arms of daring grace  
**G** **C**  
Encircle me, what pact is made  
**F** **Dm**  
Desire is your masquerade  
**E** **Am**  
Want me you never will

**Bb**  
You gave me truth  
**A**  
I chose illusion  
**Bb** **A**  
Now we are used to this confusion  
**Dm**  
But I know  
**E**  
Yes I know  
**Am**  
This story has to end  
**Bb** **A**  
Never groped for a connection  
**Bb** **A**  
Never hoped for more affection  
**Dm**  
For I know  
**Dm7** **E**  
I know I am your friend  
**Am Dm E**  
Only your friend
